BOXING GLOVES

Boxing Gloves Description

"Engineered for performance, our boxing gloves are crafted from premium quality leather for maximum durability. Featuring multi-layered foam padding for superior shock absorption, they offer ultimate hand protection and wrist support. Designed for training, sparring, and competition, these gloves ensure a comfortable, secure fit with excellent ventilation to keep your hands cool. Whether you're a beginner or a pro, our gloves deliver power, precision, and style in every punch."

NEW ARRIVAL

"Unleash your power with our latest boxing gloves – designed for champions. These gloves feature premium leather construction, superior wrist support, and high-density padding for maximum protection and comfort. Perfect for training, sparring, or competition, our new arrivals deliver durability, style, and unmatched performance. Step into the ring with confidence – your best fight starts here."

VORTEX INDUSTRY

HEAD GUARD

Available in all colours sizes and materials on demand

Black and red

"Stay protected while training with our high-performance head guards. Designed with shock-absorbing foam and durable synthetic or genuine leather, they provide maximum impact protection without sacrificing comfort or visibility

Blue

The secure adjustable straps ensure a snug fit, while the lightweight design allows unrestricted movement. Perfect for sparring, MMA, and boxing training, our head guards keep you safe and focused on your performance.

FITNESS WEAR

Train in style and comfort with our women's fitness wear collection. Designed with premium breathable fabrics, moisture-wicking technology, and a perfect stretch fit, our gear keeps you cool and supported through every workout. From leggings and sports bras to hoodies and tees, each piece combines performance, durability, and modern design—so you look and feel your best whether you're in the gym, running, or training hard.

MEN'S FITNESS WEAR DESCRIPTION

Push your limits with our men's fitness wear collection. Crafted from high-performance and breathable fabrics, our gear offers sweat-wicking technology, superior flexibility, and lasting durability. From training tees and hoodies to joggers and shorts, every piece is designed for comfort and style—keeping you ready for intense workouts, boxing sessions, or everyday athleisure wear.

TEES

Our premium training T-shirts are built for comfort and performance. Made from soft, breathable, and moisture-wicking fabric, they keep you cool and dry during intense workouts. Featuring a modern athletic fit, reinforced stitching, and lightweight feel, these T-shirts are perfect for training, casual wear, or layering under gear. Designed for durability and style, they are a must-have for every athlete.

SINCE
1995

HOODIES

Stay warm and stylish with our premium hoodies. Crafted from soft, durable fleece, they provide exceptional comfort and warmth without compromising mobility. Featuring a modern athletic fit, adjustable drawstring hood, and a front pocket for convenience, these hoodies are perfect for training, casual wear, or pre-fight warm-ups. Built to last, they combine functionality with a sleek design for everyday performance.

BEST SELLER

NASA black

"Level up your style with our NASA Black Hoodie – sleek, comfortable, and built for everyday wear. Featuring a bold NASA design, soft fleece fabric, and a modern fit, it's perfect for training, travel, or casual streetwear."

PARIS black

"The Paris Black Hoodie – sleek, minimal, and built for comfort. Crafted from premium soft fleece with a perfect fit, it's your go-to piece for training days or streetwear style."

White

Classic and versatile, our plain white hoodie is made from soft, breathable fleece for all-day comfort. Perfect for training, lounging, or casual wear, it offers a clean minimalist look with a relaxed fit and lasting durability.

Available in all size, colours and styles materials

EQUIPMENT

Hand Wraps Description:

"Protect your hands and wrists with our high-quality boxing hand wraps. Made from breathable, stretchable cotton-blend fabric, they provide a secure fit and extra support under gloves. Ideal for training, sparring, and heavy bag work, these wraps help prevent injuries and keep your hands ready for every punch."

Focus Mitts Description:

Train with precision using our premium focus mitts. Built with high-density foam for superior shock absorption, they protect trainers' hands while improving a fighter's speed, accuracy, and timing. Lightweight yet durable, these mitts feature a secure grip and ergonomic design for maximum comfort during long training sessions

- "POWER. PROTECTION. PERFORMANCE."
